Join us to hear some of Canada's finest roots and country musicians. Each location has its special features and artists and the infamous song sponsors who are highlighted during the event with a unique monologue scripted by the band.

CALGARY

The 10th Annual benefit concert is a tribute to the late Calgarian Peter Burgener, an influential architect, activist, philanthropist and avid country music fan. We're sure to raise the roof in the beautiful Bella Concert Hall!

TORONTO

It's our 3rd year in Toronto and we are ready to bring the house down! We can't wait to announce our special guests joining us in the fantastic Glenn Gould Studio.

About **CLASSROOM CHAMPIONS**

Founded in 2011 in Calgary, Classroom Champions has since reached over 5 million students in thousands of schools across North America. Over 250 Olympics, Paralympic and professional athlete mentors have volunteered to mentor students on critical skills to thrive in the classroom and beyond. Specifically across Canada, Classroom Champions has engaged over 30 Indigenous communities, pairing them with a powerful Indigenous Olympic or Paralympic Athlete Mentor to teach a customized curriculum tied to Indigenous Ways of Knowing.

Through its mentors, Classroom Champions helps develop social and emotional growth mindsets in kids, building their citizenship and leadership skills, digital literacy and encouraging academic achievement. Students who participate in Classroom Champions see improved grades, attendance and aspiration for their future.

Guests will see your brand highlighted alongside Olympic and Paralympic athletes and Barney Bentall. At the same time, you will have a unique way to entertain your friends and clients and meet an iconic Canadian band. **AND, your support goes to kids who need it the most in your community.**
